Cover Design

Box Design by Betty Tropa & Mr. Howard Pearson

The layout staff strived for uniqueness in the '78 Yearbook. This goal was complemented by the theme - metamorphosis/change. In accordance with this aim we decided to design our own cover — a first in D-C Yearbook History. The memory box matches the division pages throughout the book. We feel that there is something for everyone in our memory box — something that says what D-C means to you. The back cover of the book represents the end of the year and "changes" in the box are evident.

Question: How did we get the basketball to stay in the box?

Answer: With great difficulty.

MS. ANNE DEVENNEY

Versatile, hard-working, good-natured, understanding, and dedicated are but a few adjectives to describe Ms. Anne Devenney. For the past six years, Ms. Devenney has scored not just as an inspiring teacher, but as a helpful advisor and enthusiastic coach as well.

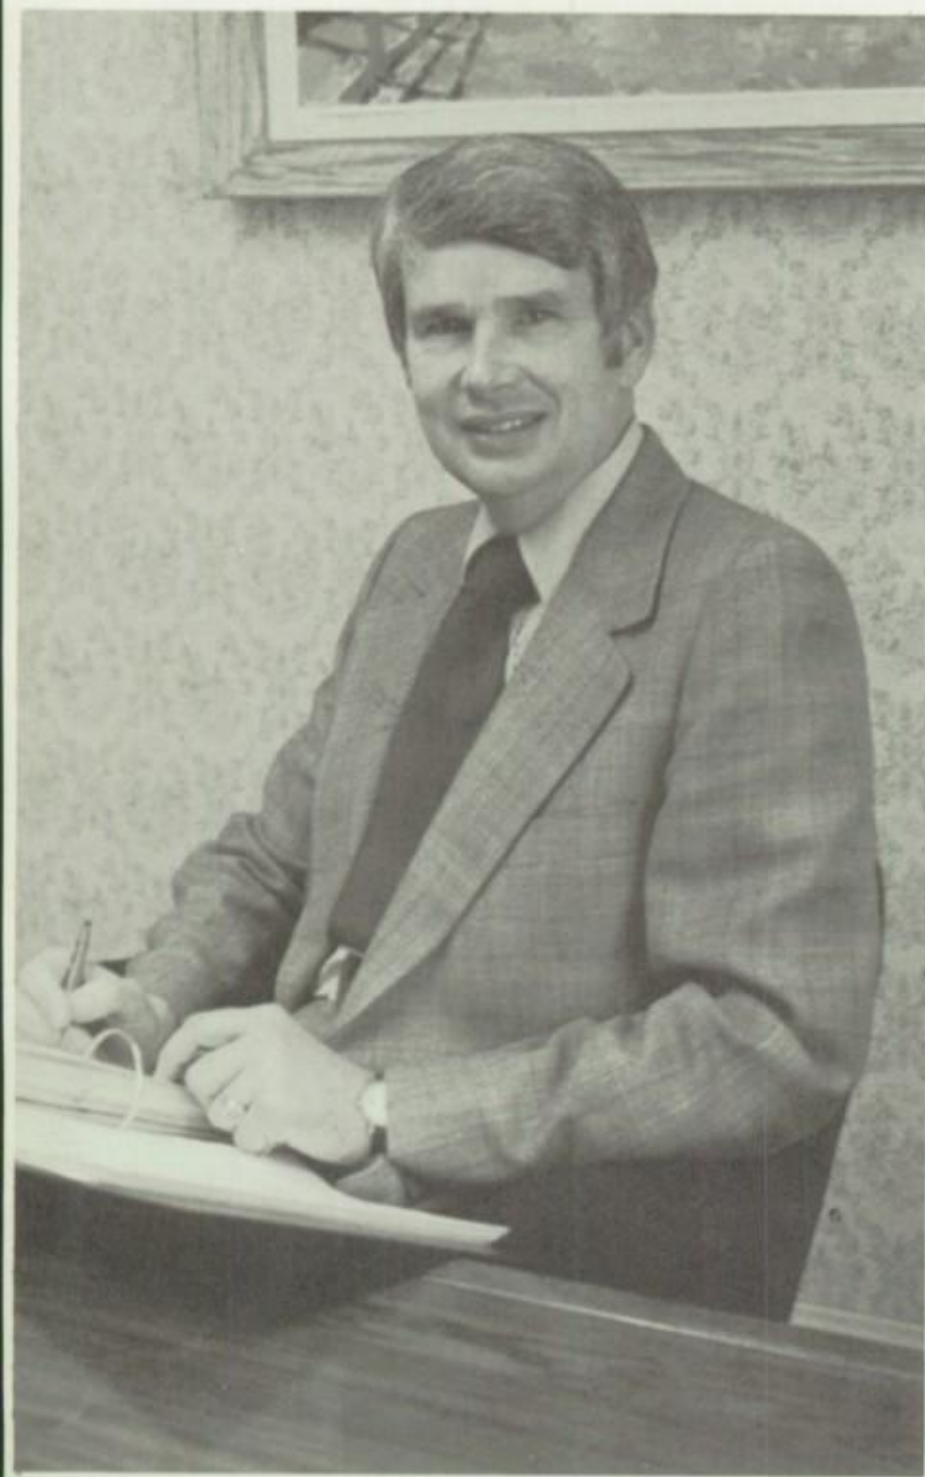

Besides her accomplishments in the classroom, she coaches the girls' J.V. Basketball and Hockey teams. Her sense of responsibility is shown through the fact that during play-off season, she not only handles her coaching job, but takes on the added task of ticket-selling for girls' and boys' play-off games.

Ms. Devenney works diligently with students as Student Council Advisor. She also has participated in student-related activities on her own time, such as organizing student retreats and traveling to Spain with a group of interested students.

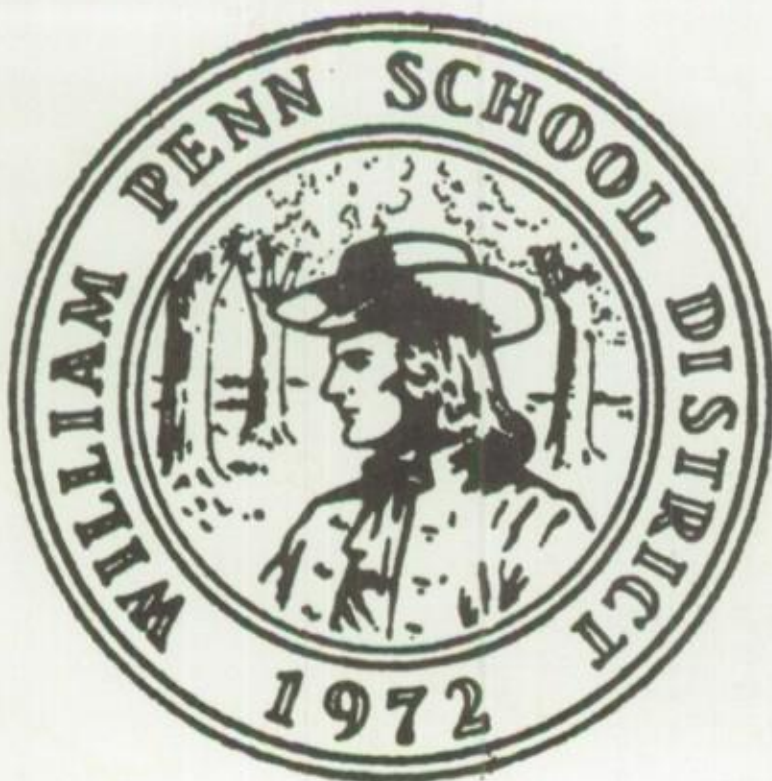

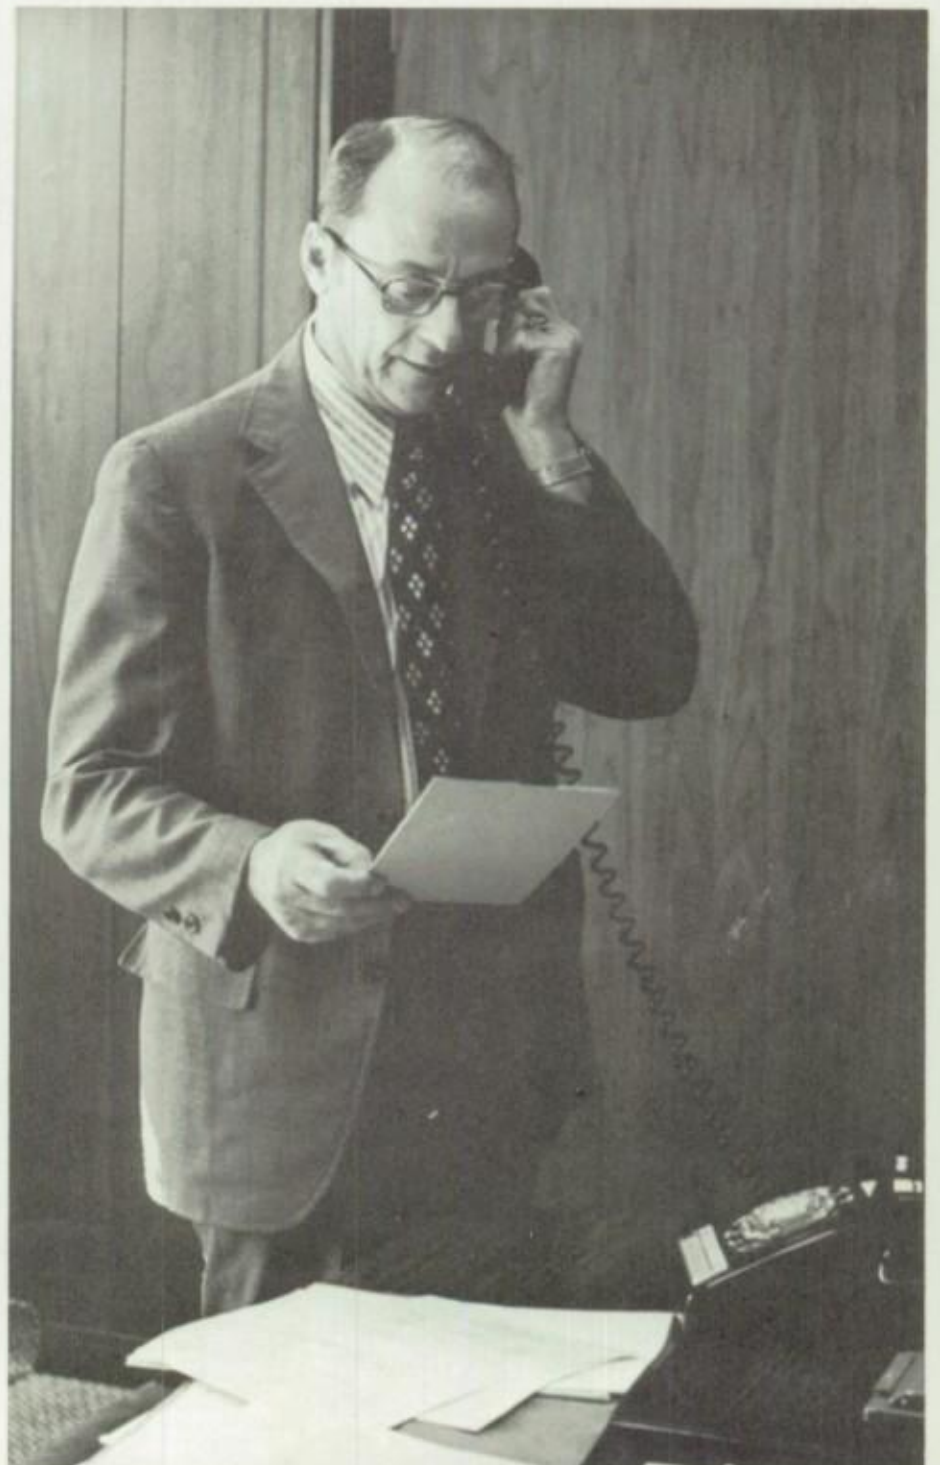

Last year Ms. Devenney was presented with a Service Award by the William Penn School District. The fact that she is an achiever is clear — but the most important attribute Ms. Devenney has, is that as a person, she is an inspiration to all.

THE METAMORPHOSIS

At the edge of an illuminated
highway
Which curves backwards into the
sides of my eyes
Silently I observe your meditative
gaze
Upon the colors that glide away in a
whisper
To return flowing as music that
runs quickly through your hair.
In quiet serenity a future butterfly
walks through you
Past newly awakened roses
To ascend a modest hill where the
wind curves upward
From the cool river
Melting sharp edges into adolescent
leaves
Giving fresh colored wings to
patient dreamers.
Gently now you return to me
Small enough to be carried past
silken windows
Your wings touching mine under the
wind.

NATIONAL HONOR SOCIETY

The members of this society are the students who have excelled in school work, as well as in school activities. Each member must maintain a specified grade average, along with two extra-curricular activities. The National Honor Society ushers such programs as College Night, Parent Visitation, and Commencement ceremonies. Also, they visit hospitals during holidays, and provide special tutoring services when needed.

I pledge myself to uphold
the high purposes of the
National Honor Society
to which I have been elected;
I will be loyal to my school;
and will maintain and encourage
high standards of Character,

The Yearbook Staff began planning this year's book in the summer of 1977. Our goal was to design a unique book — breaking the conformity of former books. We strived for consistency in the art and graphic design, theme development and basic page format. We feel we have achieved our goal.

SCOTT'S HI-Q TEAM

Scott's Hi-Q is the oldest continuous academic quiz program in the country. Sponsored by Scott Paper Company since 1948, the competition is designed to encourage and recognize academic achievement among high school students. Twenty-four Delaware County high schools compete in the program; first, second and third winners receive school awards of \$1,500, \$750 and \$500 respectively. All eight members and the faculty advisor of each of the three winning teams receive individual awards. The Scott's Hi-Q competition is also produced in the states of Michigan, Wisconsin and Washington.

The Future Business Leaders Club has been organized to keep our students informed about the world of work. Once a month, speakers and graduates working in business speak to the membership about the "real world of work." In addition to their activities, students conduct their own sales' campaigns to raise money for charities and the annual trip to New York and Washington. The Club also sponsors the Employees of the Month and Person of the Month programs which honor hard-working students with a free lunch at McDonald's. Traditionally, the FBLA club has sponsored the award of savings bonds to be given to graduates demonstrating excellence in business or outstanding service to the school.

CLOSE-UP

Left Down- Robert Jones, Peter Farrell, John McNesby, Janet Williams, Mr. D.-Advisor.
Right Down- Cathy Stone, Barbara Wilding, Robin Kane, Gert Williams, Deirdre Weaver.

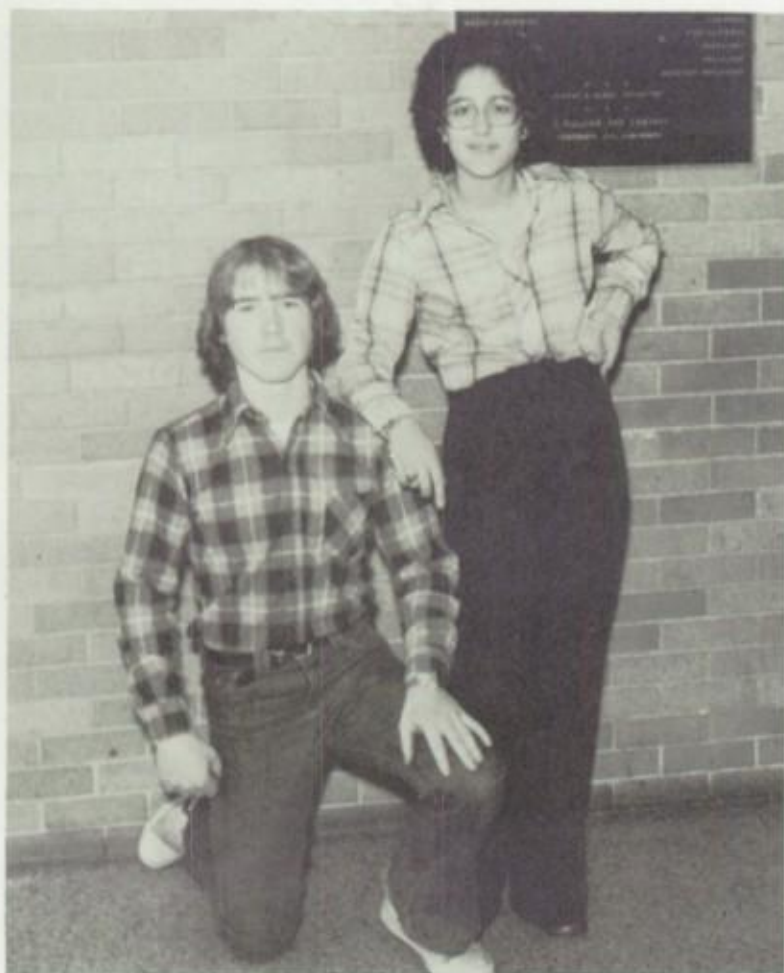

Close-Up is a program that enables high school students to explore the various aspects of our government. The students reduced the initial cost of the trip by holding cake bakes, dances, and raffles throughout the year. Mr. D. and a group of students spent a week in Washington, D.C., in February of this year. There, they had the opportunity to attend meetings, seminars, observe debates on current issues, and learn the history of Washington and our government. They also had time for sight-seeing.

YOUTH FORUM

Youth Forum members are chosen to represent one school at meetings which are attended by students from the entire Delaware County. Meetings are held once a month at the Delaware County Intermediate Unit in Media. Youth Forum members also voice their ideas at School Board Luncheons, which are attended by the principals of all three schools of the William Penn School District, Student Council presidents, other Youth Forum members, and School Board members.

This year marked the celebration of the twentieth annual D.C. homecoming. A luncheon before the game honored the past queens and this year's candidates. The festivities continued at half-time with the district band performing a special routine. A parade after the game featured a float made under the direction of Miss Nagle and Mrs. Boone. Terri DiLoreto, queen, held the place of honor leading the parade. That night, the Student Council held a memorable Homecoming Dance.

HIGH FLIGHT

By John Gillespie Magee, Jr.

Oh, I have slipped the surly bonds of earth
And danced the skies on laughter-silvered
wings;
Sunward I've climbed, and joined the tum-
bling mirth
Of sun-split clouds—and done a hundred
things
You have not dreamed of—wheeled and
soared and swung
High in the sunlit silence. Hov'ring there,
I've chased the shouting wind along, and flung
My eager craft through footless halls of air.
Up, up the long, delirious, burning blue
I've topped the windswept heights with
easy grace
Where never lark, or even eagle flew.
And, while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of
God.
